Pilgrim Nuclear Power Station must be shut down

**NOW!      NOT IN 4 YEARS!**

It's just too risky to keep using it in its damaged condition, where no one knows why Pilgrim keeps having high speed emergency shutdowns.

The Nuclear Regulatory Commission has rated Pilgrim as one of the three **LEAST SAFE** in the entire country, and said that it suffers from a **“SIGNIFICANT DEGRADATION IN SAFETY PERFORMANCE.”**

**VOTE TO SHUT IT NOW!**
