

Middle Eastern Refugee Solidarity Dinner For Families & Children

Sunday, February 28, 5:30
First Parish Church
10 Parish Street
Meeting House Hill, Dorchester

**Are you curious about the middle eastern refugee crisis?
Do you like middle eastern food?**

Please join us in an evening of **delicious middle eastern food, activities for children, and speakers on the refugee crisis** in Europe and the middle east.

We'll ask each family to donate \$20. Our collection will go to Oxfam, an organization already **on the ground with refugees** in Greece. We'll hear from Angela Kelly who just returned from Greece where she **delivered supplies to refugees** and from Jeff Klein from Dorchester People for Peace who will talk about **political factors affecting the refugee crisis**.

Many community groups are participating to show support for refugees. Currently these include: Dorchester People for Peace, Dot Art, Dot on Books, First Parish Church, the Center for Arabic Culture, International Institute, and local middle eastern restaurants.

For information call Dorchester People for Peace at 617-698-0774.
