

Dear Rep. \_\_\_\_\_,

Please co-sponsor HR 152, calling for a formal end to the Korean War.

Ending the Korean War will go a long way toward eliminating tensions on the Korean Peninsula and halting the arms race that has fueled the nuclear crisis. In addition, resolving the war will help reunite thousands of families — including many Korean Americans — who have been separated for nearly 70 years.

Without a peace agreement, the Korean War could resume at any time, and the U.S. could be drawn into a costly and protracted regional war.

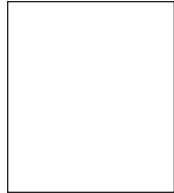

A peace agreement with North Korea is the greatest way to ensure the security of Koreans and Americans. Please help end the U.S.'s longest standing conflict and reinvest in our security at home.

Sincerely,

Name: \_\_\_\_\_

Address/ZIP: \_\_\_\_\_
