To Senators Elizabeth Warren and Ed Markey:

I am writing to call on you to support Joint Resolutions of Disapproval to be introduced by Senator Bernie Sanders to halt the new \$billions in US taxpayer-funded arms transfers to Israel proposed by the White House.

Congress has the legal right and the moral obligation to stop additional US arms transfers to Israel. Under the Arms Export Control Act (AECA) Congress can and should block new arms transfers to Israel that conflict with US and international law. I am calling on our Senators to cosponsor Sanders' JRD and on Representatives to introduce and cosponsor companion JRD legislation in the House.

Recent polls indicate [<https://www.scribd.com/document/740568401/Cbsnews-20240609-SUN-NAT>] that 61% of all Americans and 77% of Democrats oppose more arms transfers to Israel. Congress should listen, even if the White House refuses to.

I am asking that you act now before even more thousands of Palestinians are slaughtered with US-supplied lethal weapons.
